

Vitale Park Pavers Order Form

Freedom Point at Vitale Park on Conesus Lake is a beautiful park constructed by the citizens of the hamlets of the Town of Livonia to preserve and enhance the green space on the lake. The donated Chip Holt Center will greet visitors with educational information. People stroll over to the donated, wooden Freedom Bridge to enjoy the many beautiful gardens, including the Veteran’s Garden, Water Garden, Butterfly Garden, Sunflower Garden, Countryside Garden and Conesus Lake Garden. All phases of the project have been a generous effort of volunteers and donors.

We offer engraved memorial stones (bricks) to memorialize MILITARY loved ones in the Veteran’s Garden and NON-MILITARY loved ones in the Dock Wall and the Water Garden Walk. Monies raised will help complete and provide upkeep for the gardens.

Consider ordering an engraved stone for your loved one!
